* Huron Feathers staff have been selected on the basis of their commitment to God, love for kids as well as previous experience working with children and youth. All staff are trained in First Aid and CPR. Our staff includes one Waterfront National Lifesaving Society lifeguard and a Bronze Cross certified staff. S.A.L.T. volunteers are selected from students age 13 and up who desire to contribute to the Huron Feathers community and to grow in their own leadership skills. L.I.T.s are selected from students age 11-13 who want to assist with the Huron Feathers day camp and grow as young leaders.

** Huron Feathers strives to provide a nut-free environment for all participants. However, campers having potentially life-threatening conditions such as peanut/nut/other allergies are required to carry at least one set of medication, be familiar with its use, and carry the medication with them at all times in a fanny pack.

By signing below, I confirm that the above medical information is accurate and complete:
